

Annual Report

May 31, 2010

Congratulations Junior League of Portland on 100 years of service. It is a pleasure to highlight the JLP's accomplishments. The membership committees successfully recruited 32 new members, while 50 successfully reinstated their membership.

Our community programs are also thriving. Bring Me a Book successfully installed its second bookcase at White Shield. Between the Lines continues to expand their programs and received donations of books for their program. Volunteer in Portland continues to do good in the community and will expand the number of community projects in the 2010-2011 league year.

Trainings continue to be an integral part of the JLP; members have the opportunity to take advantage of trainings from grant writing fundraisers this year. The JLP was a finalist for the Oregon Business Award, and considers it an honor to be amongst so many great and non-profits.

"The Celebration of the Century" at Waverley Country Club was a highlight of the year as sustainers and actives collaborated to share JLP history, community service, and a fabulous evening among supporters and friends.

A commemorative book of JLP history was created and sold at the event which captured our last 100 years of history, evoking memories and laughter of years past. The event successfully raised \$61,000 to support community partners! In addition, the Endowment Committee met its \$100,000 goal for 100 years of service.

It has been a pleasure and honor to serve as your President during this productive and celebratory year. A huge thank you to our members, sponsors, donors and friends for a fabulous year. The Junior League of Portland continues to thrive because of all of you!

Keeley H. Hawkins
President 2009-2010
