A Note from the President

2015-2016 was a phenomenal year for the Junior League of Portland (League) in terms of internal and external advancement.

In June we welcomed a new Provisional class of 117 members thanks to a very strong Recruitment Committee. Focusing on creating a member-centric league where members have more say in designing their own path with regards to leadership, training and volunteering our well rounded League is attracting a more diverse and committed membership base. With our more member-centric focus we are also retaining a greater number of League members and creating more opportunity for our members and our community. Our provisional members went on to create our first Provisional Project benefiting Dress for Success.

In October 2015 the League voted on a new focus statement to better define our purpose. Following two years of work by the Issue Based Impact Committee, we approved "The Junior League of Portland, OR works to end the cycle of violence against women and children." We believe this statement supports our direction, our community's needs, and the commitments and desires of our members. With this we will be able to further our support of stopping human trafficking and domestic violence in our community.

The League continued to run our in-house programs: Between the Lines, Stop Human Trafficking, and Healthy Habits, Healthy Kids in the 2015-2016 League Year. Supporting five successful readings at area correctional facilities, Between the Lines allowed the connection between incarcerated parents and their children through literary efforts. Stop Human Trafficking continues to be a driving force creating awareness on the issue of sexual exploitation in our community. Healthy Habits, Healthy Kids continued educating and spreading awareness about learning healthy habits at a young age in order to live a long and healthy life.

In further assisting our community efforts we continued to support the following organizations in the greater Portland area: Bradley Angle, Raphael House, Children's Book Bank, Harper's Playground, Peninsula Children's Learning Center, and Ronald McDonald House. Focusing on women and children, these organizations align well with our Mission and Focus. Our League volunteered over 13,000 hours during this League year, spread over 60 volunteer opportunities and 501 individual shifts – something we are very proud of.

Our League banded together for three extremely successful events this League Year. Our annual JLP CAREs (Community Action and Revitalization Event) and the Harvest Soiree married together a morning of volunteering within our community and a lucrative fundraising event in the evening. The soiree successfully raised close to \$70,000* as our League's main fundraiser. Our annual Gingerbread Jamboree continues to be a favorite for families and raised almost \$5,000* and our New Year's Eve Charity Ball raised just over \$8,000.*
(*Not including in-kind donations)

To continue our League's legacy we raised over \$10,000 for our Endowment Fund that continues to thrive. Following a revised and improved External Endowment Grant Application we were also able to give \$27,500 in Endowment Grant Awards and sponsor 15 members to attend Junior League trainings around the country.

Adding to our League's legacy, we remodeled our 1910 campaign. This Campaign will live in the true spirit of Gretchen Corbett's philanthropic and service model – it has been restructured into a Special Appeals campaign, with 100% benefit to the community (not our General Fund OR our Endowment Fund). We are actively looking to partner with a community organization to whom we can donate \$110,000 for our 110 Anniversary in 2020!

Finally, our year ended on a celebratory note with a Kentucky Derby Party and our Sustainer Luncheon. Many successes were celebrated with the League's legacy looking bright.

Warmly,

Courtney Flood
